

enhance
your future.

You can receive **up to \$500 off** for upgrading your existing ID card printer.

Qualifying New Printers and Credits after UPTrade:

Send in your old card printer. Sell a selected new FARGO® printer and receive the credit listed below.

	UPTrade Values				
					
	HDP6600	DTC5500LMX	DTC4500e	DTC4250e	DTC1500
Single-Side	\$100	-	\$250	\$250	\$100
Dual-Side	\$200	-	\$350	\$350	\$200
Lamination	\$350	\$500	\$500	-	\$350

Program Details:

Qualifying UPTrade Printers: All old FARGO® card printers as well as any dye sublimation or reverse image card printer from other manufacturers.

A RMA (Return Materials Authorization) number will be emailed to you. Credit will be applied once the new printer has been shipped and the old printer has been returned, with proper RMA identification. Please allow up to 4 weeks for credit to be applied to your account after the return printer has been shipped.

- This UPTrade program is eligible in the U.S. only and is effective beginning January 1, 2020.
- UPTrade credit will be issued to your account once the traded-out printer has been received and the new printer has shipped.
